CFK_ART FUND'S SUMMER WORKSHOP IS STARTING !!!

The CFK_Art Fund's free summer art workshop for children aged 10 to 16 is now open. The workshop runs for four days (from 9am to 3pm) and includes instruction in watercolor and acrylic painting, performance art, Shibori dye or basic batik, and animated story art boards.

STICK-MAN DRAWING WORKSHOP WITH CITY LOVE & HOPE FOUNDATION

The CFK_Art Fund was offered the opportunity to visit and collaborate with the **City Love & Hope Foundation**, an educational institute for children aged 5 to 20, primarily comprising orphans. The foundation operates under the City Mart Holdings Group.

We were able to demonstrate to the children the uses, fun, and lively characteristics of stick-man drawings. We conducted three workshop sessions with the children, illustrating various forms of stick-men, including representations of peers, families, and themselves. Everyone participated with great enthusiasm, and in return, we were able to observe the children's diverse perspectives of the world through their drawings.

SPECIAL THANKS TO CITY LOVE & HOPE

We would like to thank **City Love and Hope Foundation** for this great opportunity and the art supply sponsors throughout the workshop.

KIDS' FREE ART CLASS'S PARENTS MEETING

CFK_Art Fund held the monthly parents meeting for our students from art classes on March 8th. During the meeting, we discussed the progress and future developments of CFK_Art Fund, as well as upcoming projects, including the planned excursion trip. We also talked about the children's development in art education and the parenting skills necessary for the adults.

MARCH GATHERING EVENT FOR LOCAL ARTISTS

As part of the artist community development initiative, CFK held a special gathering session for local artists based in Southern Shan State and Shan State on March 13th. This session aimed to foster networking among artists within their community and to discuss the progress of their artistic journeys. Our students from kids' art classes also participated in the gathering event to learn from the artists and share in the exchange of art knowledge. The children were able to acquire new and unique artistic insights from the attending artists.

HTIN SHUU YEIK GALLERY

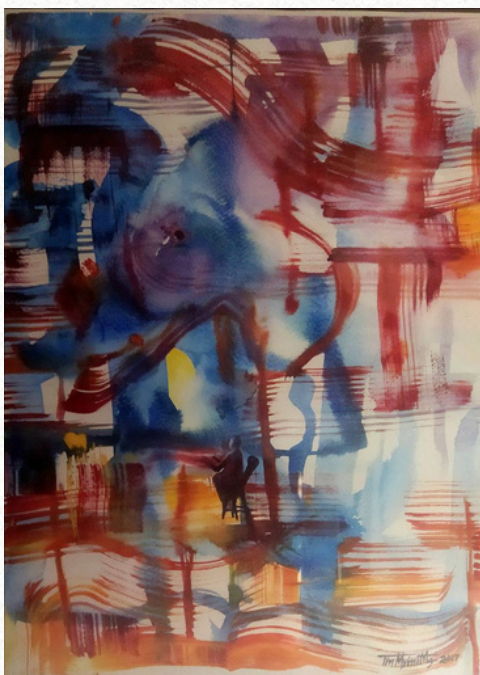

Htin Shuu Yeik Gallery, one of the only two art galleries in Kalaw, can be regarded as the artistic gift and home from the late artist U Tin Myint Maung who founded the gallery in 1996. Although it is a compact and rather small gallery, it is now reaching into its 28th year being a bridge connecting the small community from Kalaw to the urban arts.

Now the gallery is opening on Wednesday and Friday weekly and currently being a home to both of the late artist and his brother, Nyi Nyi Maung's artworks and welcoming the art enthusiasts who are interested in visiting this small yet historic gallery.
